

Should a defect in workmanship, related to the work completed by Shealy Custom Exteriors, occur within 5 years of the project, Shealy Custom Exteriors will provide material and labor to complete repairs within the original project's scope of work at no charge to the customer. This warranty does not cover normal wear and tear, hail damage, wind damage, sun damage, intentional or accidental damage by any person, or acts of God that may or may not merit an insurance claim. This warranty only applies to portions of the project in which Shealy Custom Exteriors fully replaced any existing products, and does not cover repairs or service done to another contractor's work. Defects in the building materials used to complete work do not fall under the scope of this workmanship warranty; any building products installed will instead be covered by the product's original manufacturer warranty.
